

Okay Ladies To Tend Bar

By MARGE RATCLIFFE

LOCKPORT -- Will Merrill, president of the Lockport Central Student Council, and Bill Feithen, president of the Junior Class, met with the Lockport City Council Monday night to discuss parking problems around the school. The city says student auto parking is creating a safety hazard.

Mayor George Nordstrom asked the young men to report back to the school that

student autos will be ticketed if they are too close to a corner or if they are blocking a driveway.

The council directed Gene Korst, city attorney, to amend the ordinance barring lady bartenders.

The mayor and some councilmen acknowledged that there already are lady bartenders, usually those who are members of the owner's family. Immediate female family members of age are allowed to tend bar.

Johnson stated, "A city

can only prosper as long as

They reasoned it would not make any difference to extend the ordinance to all females. It would also help the employment picture and might make a difference to the better in the atmosphere of some establishments, they thought.

They also heard a letter from Richard A. Johnson, manager of the Lockport Model Finance Co., complaining about the number of parking tickets the city distributes

the merchants do." He added, that this "ridiculous" procedure was having a bad effect on business.

Nordstrom stated that downtown parking meters are here to stay. He said he felt most businesses benefit from them.

The council also proclaimed Nov. 9 through 15 American Education Week in response to a letter from Harold Scholle, superintendent of District 205.

The council approved

hiring a parttime clerk to help sell 1970 city vehicle stickers.

Gordon McCluskey, public works director, reported on a meeting he had attended concerning the Fox Valley Freeway. McCluskey stated that freeway planners had invited cities and planning commissions to submit ideas. McCluskey said that if Lockport is going to participate in planning "now it is the time."

Nordstrom informed the

council that the Will County Zoning Board Of Appeals has recommended rezoning Sage's in the Bonnie Brae area from B-1 to B-4 and considered the area suitable for a package liquor store. According to the mayor, this would conflict with the city's recently adopted master plan. Since the area in question is within one and a half miles of the city limit, the council has the right to file a legal objection to the zoning change. They directed the attorney to do that.

Bromberek Referendum Is Nov. 15

LEMONT -- A bond referendum to obtain funds for a Bromberek School multipurpose room will be Saturday, Nov. 15, according to

the Bromberek School Board of Education.

Walter Kuntz, president of the board, said the room would be approximately 90 by 50 feet and would be used as a gymnasium, assembly room, lunchroom and dramatics area. The room would also be available for evening recreation programs and community groups' meetings.

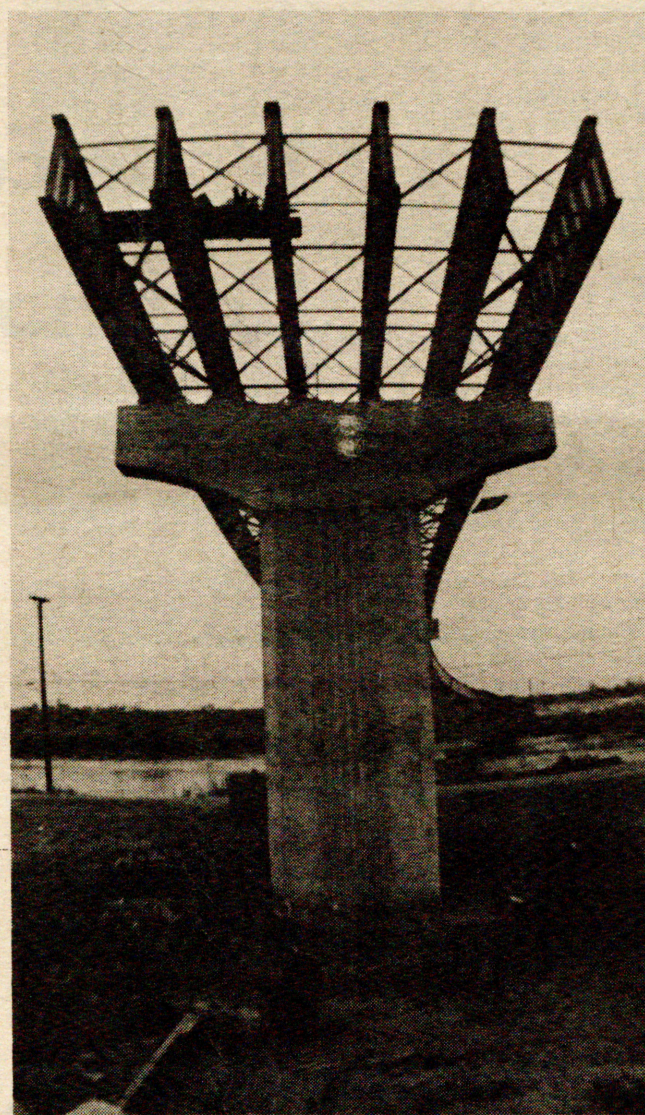

The board will ask voters to approve \$95,000 for the building as well as all of the facilities to complete the room. This will include the gym apparatus, lunchroom equipment and a folding door to divide the room in half when needed. This amount also includes locker rooms, showers, bathroom facilities, heating, lighting, architects' and attorney's fees.

This facility would cost the average household of \$10,000 evaluation less than \$12 a year and each year it would decrease.

Kuntz and all other members of the board hope to obtain support of every individual and civic group in the community to work for the bond issue.

Edward Vician, superintendent, is available to all individuals or organizations wishing additional information on behalf of the referendum. He will be glad to speak to various groups about this vital matter, he said.

"Literature and publicity is being disseminated and it is hoped everyone in the community will be reached in regard to the referendum which will be held at the Bromberek School," Vician said.

Let Contract For Scott St. Sewer Lines

By GLENN LOGAN

MOKENA -- Freeman Construction Co., of Tinley Park, has been awarded the contract for installation of sewer and water mains on Scott St. and a portion of Boyer Court. Mulford Engineering, village engineers, were to shoot grades Friday and Monday and work on the project could get underway this week.

The Freeman Co. bid of \$41,479.25 was lowest of six submitted. The others were, Merich & Son, of Summit, Ill. \$42,254.90; John & Ron excavators, Mokena, \$44,768.75; Hulett Corp., Oak Lawn, \$45,722.25; Blaine Saxton, Mokena, \$46,514, and George Hardin Co., Chicago, \$47,673.80.

The improvement runs along Scott St., about two blocks, and for about a block and a half on Boyer Ct.

Property owners are putting the money up in escrow, and as of Tuesday night last week when the village board met the amount on deposit with the village was \$22,781.

The village board decided to put up the remainder of the money but will be reimbursed by those property owners who have not advanced the cash. They will pay as if on a special assessment basis -- in installments and with interest.

Liens will also be placed on their property so that before it can be sold or the title transferred cost of the improvements must be paid.

Fred Steinhagen, who some years ago was employed by the village, has been hired to serve as inspector for the Scott Street sewer and water job.

Plans for the remodeling of the old church building now housing the library have been accepted by the village board.

Trustee Lyman Teague is expected to make a recommendation to the board soon as to proceed with the remodeling or build a new hall. It was believed that remodeling would be the most advantageous. The library, of course, would continue to occupy the building.

Crash Report Given

LOCKPORT -- Drivers and passengers in autos involved in a crash on Rt. 171 two-tenths of a mile north of 151st St. in Lockport on Oct. 19 were not correctly identified in an Oct. 22 story appearing in the Southwest Graphic.

The account of the accident as provided by the state police follows.

A car driven by Mary Lou Stump, 24, of 13 N. Center St., Joliet was northbound and allegedly crossed the center line and struck an auto driven by Bernice Anderson, 33, of Summit. The Anderson car was southbound.

Anderson, 33, and his wife, Rosemary, 27, were both killed. Their children, Mark, 8, and David, 7, passengers in the car, were injured.

Also injured was William Stump, 37, a passenger in his wife's car.

Mark and David Anderson are in Silver Cross hospital in serious condition.

Coburn Is New Supervisor

FRANKFORT -- Glenn Coburn, Lincoln Estates Republican committeeman, has been appointed supervisor of Frankfort Township to succeed the late George Tate.

The appointment was made last Friday night at a meeting of the town board. Mr. Tate was elected last April

for a four year term. His successor will serve under the appointment until the next town election, which will be in April, 1971.

The new supervisor has been a resident of Lincoln Estates for 10 years and has served as committeeman there for the past five. He also was elected one of the town auditors last spring

but resigned after his appointment as supervisor.

Coburn also served on the Ann Rutledge school district board for six years, the last four as president. He retired from the board last April.

For the past 21 years he has been with the H.D. Copeland & Co., commission mer-

chants at the Chicago Stockyards who sell livestock for the farmers.

Mr. and Mrs. Coburn and their five children reside on Lincoln Highway at what would be about 81st St.

Until Coburn's appointment James Tilley, assistant supervisor, has been carrying on Tate's duties.

Walter Scoggins To Be In Court Today

SOUTHWEST -- Walter L. Scoggins will appear before Magistrate Thomas Wilson today (Nov. 5) with his court-appointed attorney, public defender Thomas Vinson.

LTO, 205 Agree

LOCKPORT -- Harold Scholle, superintendent of District 205, announced Friday the results of a meeting held Thursday, Oct. 30, to discuss contract negotiations.

According to Scholle, "The negotiating team of the board of education and the LTO welfare committee have agreed to the terms and provisions of a contract. All issues were brought to a mutually satisfactory conclusion."

"Both groups will carry the contract to their respective bodies."

The preliminary hearing is set for 3:30 p.m. Scoggins, 27, has been charged with the murder of Floyd A. Ortendahl of Lockport.

Scoggins appeared before Magistrate Wilson at the Woodruff Hotel, Monday, Oct. 27, where he was presented with the charge, and his case assigned to the public defender.

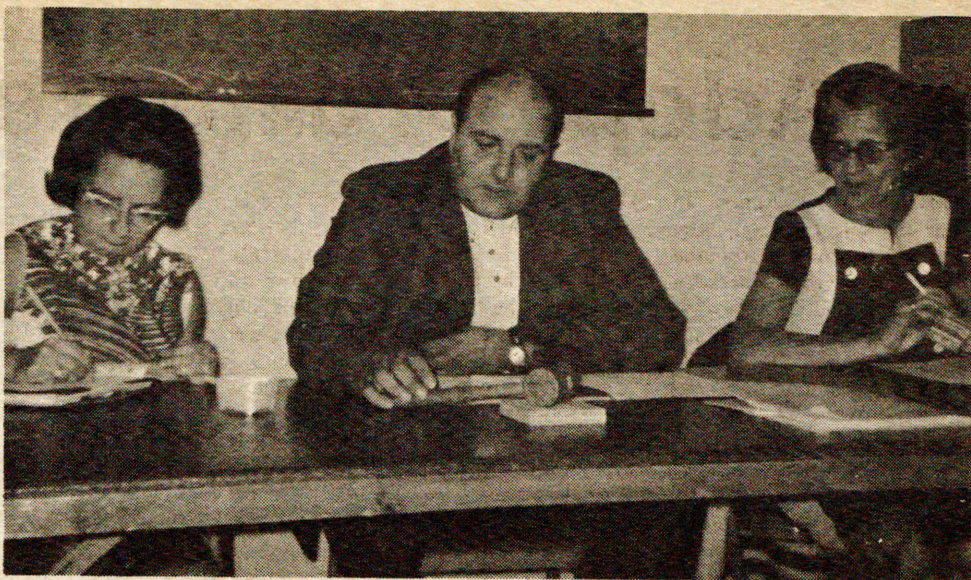

After today's hearing, at which the state will present evidence showing probable cause, he is expected to be bound over to the grand jury.

Ortendahl's body was discovered at about 7:30 a.m. Sunday, Oct. 26, on Bluff Rd., one and one half miles east of Rt. 53. He was a driver for the Yellow Cab Co. in Joliet. A company official said that Ortendahl had been dispatched to pick up a fare at a public phone booth in Joliet at 1:45 a.m. Sunday; at 2:45 a.m. Ortendahl called in to say he had dropped the fare. He was not heard from again.

Funeral services for Ortendahl, 57, of Rt. 1, Oak

Ave., Lockport, were held Thursday, Oct. 30, at the Carlson Funeral Home, with the Rev. George Moulthrop officiating. Cremation was held at Skyline Memorial Park in Monice.

Scoggins had been previously reported to be a resident of Wrobel's Trailer Park south of Lemont. The owners of the trailer park, however, stated that he did not rent there.

THE ASSOCIATION OF CONCERNED VOTERS installed new officers recently. Pictured from left, are Dolores Hardesty, secretary; Frank Wood, president; and Betty Vermeulen, treasurer. Not pictured are Richard Willcoxon, vice president; Joan Lifka, Robert Sckellenger, and Gene D'Oca, board members.

Hearing On New Rt.61 Set

SOUTHWEST -- A hearing on the proposed location of Federal Aid Route 61 is slated for 7:30 p.m. Nov. 19 in the Exhibition Hall at the Fred Francis 4-H Field, on Francis Rd., north of New Lenox.

According to the announcement by the state highway department the hearing is intended for the purpose of allowing people to express their views on the proposed location of this north-south road. The hearing at Francis Field, it was stated, would be confined to location of the route between the Will-DuPage county line near Woodridge and I-80 in the vicinity of New Lenox.

"Interested citizens from this affected area," the notice of the hearing reads in part, "will be heard concerning the design features, including the economic effect of such location."

Such meetings always draw people who express views and ask questions of the engineers who are always present with an array of maps and data. A shorthand reporter is always there also to record the views

and questions. After a reasonable time and the views and questions become repetitious, the meeting is closed with the engineer in charge politely thanking the people present for their interest.

Observers who have attended meetings of this nature have often wondered what becomes of the views and questions and what consideration, if any, is ever given.

\$5 Tag Is Set

MOKENA -- Ah-h-h-h! That represents the sigh of relief taken by Mokena car owners when the village board there discarded a left-over idea to boost the price of vehicle stickers to \$8.

An ordinance was adopted by the board at its meeting last week setting the fee for vehicle stickers at \$5 for any motor vehicle. That sum

is due Jan. 1 of each year. People who acquire a car after June 30 will pay \$3.

The former ordinance also carried a fee of \$5 but provided for a discount of \$2 if paid before Jan. 1. There is no discount under the new measure. Vehicle owners who fail to display a 1970 sticker by Feb. 1, will be subject to arrest, it was said.

Cite County's Leading 4-H Members For Work

NEW LENOX -- High honors went to a large number of 4-H members at the 24th Annual 4-H Achievement Night at Lincoln-Way High School Saturday.

The Will County Cooperative Extension Service sponsored the event. George J. Young and Charlyn Butterfield, assistant Extension advisers, coordinated

the program.

Jack Chesnut, Jr. of Mokena, a member of the New Lenox Hayshakers 4-H Club, and Dorine Hauert of Elwood, a member of the Jackson Livewires 4-H Club, received the Herald-News Publisher's Award for the top 4-H boy and girl in Will County.

Jack is the son of Mr.

and Mrs. John Chesnut Sr., and Dorine is the daughter of Mrs. Everett Hauert.

Selected as state delegates to the National 4-H Club Congress were Ken Krapf of Manhattan, a member of the Jackson Champions 4-H Club, and Dorine Hauert.

Ken, son of Mr. and Mrs. Norman Krapf, will attend as the state photography winner.

Dorine will attend as the state dress revue winner.

Both Ken and Dorine's records have been submitted for National Honors.

Sue Fitzer of Joliet, a member of the 5th H and Troy Jolly Girls 4-H Clubs, is one of four Illinois 4-H members chosen as a delegate to the National 4-H Conference in Washington, D.C.

Sue is the daughter of Mr. and Mrs. Robert Fitzer.

John Heisner, a member of the Willing Wilton Workers 4-H Club, and son of Mr. and Mrs. Melvin Heisner, Peotone, will attend the National Dairy Conference as one of the thirteen Illinois delegates.

White Eagle Club Will Nominate Officer Slates

LEMONT -- Nomination of two slates of officers for the White Eagles Social Club will be Friday evening. The annual election will take place at the December meeting.

The nominating session this Friday begins at 8 p.m. in the club rooms. A regular meeting will also be held at this time.

Officers who have been serving for this year are Peter Kluge, president; John Wojciechowski, first vice president and chairman of activities; Sam Kedzior, second vice president; Casimir Kluga, recording secretary; John Affelt, financial secretary; Michael Kendzierski, treasurer. Frank Wojnowski, sergeant

at arms; and trustees, Edward Sadowski, Raymond Lech and Elmer Novak.

The White Eagles Social Club was organized on Nov. 6, 1934. The first committee preparing by-laws of the club were: Valentine Slivinski, chairman; Harry Hojnacki, Anthony Wietrzykowski, and the first president of White

Eagle Social Club, Martin C. Sniogowski Sr. At this time the clubrooms were located on S.S. Cyril and Methodius Church grounds. In 1962 the clubrooms were moved to 616 McCarthy St.

Meetings are being conducted on the first Saturday of each month at the clubrooms.

Frankfort Extends Strip Annexation

FRANKFORT -- The Frankfort village board has adopted an ordinance annexing Sauk Trail from Pfeiffer Rd. to Harlem Av. It also has approved the re-zoning

of property along U.S. 30, owned by McIntosh & Co., as B-2 for a shopping area.

The board also adopted an ordinance eliminating classification of property as I-2 (heavy industry). The ordinance, however, does permit zoning for special uses but bans any process that would cause excess noise or offensive odors.

Village Attorney August Santoro was instructed to draft an amendment to the zoning ordinance requiring 50' set backs for industrial and commercial property, except on Kansas St., with the front 25 feet to be landscaped.

There are to be side yards so trucks and cars have access to the rear of the premises, 20 per cent of which shall be reserved for loading facilities and parking.

Side yards will be wider if the plant or business establishment borders a residential district, and the owners of such plant or business will be required to fence their property, side and rear.

Vietnam Artists To Hold Display

The U.S. Marine Corps, a highly organized fighting machine, reveals its sensitivity to people and nature in a collection of drawings and paintings on display this month in the gallery of the Chicago Sun-Times and Chicago Daily News Building.

Since 1966 Marine artists have been landing side-by-side with fighting Marines in battle areas through the sponsorship of the Corps Combat Art Program. The exhibition, selected from more than 2,000 works of art by Marines and civilians, portrays Vietnamese people, combat zones, countryside and Marines at leisure.

Since 1775, Marines have contributed to our nation's growth and history. On November 10, 1969, the Marine Corps will celebrate its 194th birthday. Aware of the historical significance of its art program and its growing art collection, the Corps has arranged for the exhibit to be shown in museums, libraries, and galleries throughout the United States.

The exhibit will be on display from Monday, Nov. 3, through Saturday, Nov. 29. It is open to the public without charge in the Sun-Times and Daily News gallery, 401 North Wabash Ave., Chicago, 9 a.m. to 6:30 p.m. weekdays and from 9 a.m. to 1 p.m. Saturdays. The gallery is closed on Sundays and holidays.

Adopt Ordinance for Mall Property

MOKENA -- Action to clear the way for acquisition of property for the proposed mall along Front St., between Mokena St. and Wolf Rd., has been taken by the village board through adoption of an ordinance authorizing its purchase.

The bulk of the property will be purchased from the Rock Island Lines for \$10,000. In the original negotiations the railroad asked \$19,000 for 647 feet along

Front St., from Mokena St. west, that had a depth of 50 feet.

The Rock Island offered to lease the 25-foot strip adjoining this property on the south. This 25-foot strip runs from Mokena to Wolf Rd. Under the new arrangement the railroad will add this 25-foot strip to the front footage and sell the entire piece for \$10,000.

The parcel at the Wolf Rd. end, owned by S.W.

Hauck Oil Services, Inc., is 280 feet by 50, so with both parcels the village would own all of the property along the north sides of the track between Wolf Rd. and Mokena St. The price of the Hauck property is \$11,500. Hauck, however, would retain the mineral rights.

According to the ordinance authorizing the purchase the village is empowered to levy a tax to pay for the property over a 20-year period at an

interest rate of 6 1/2 per cent. The total purchase price is \$21,500.

The proposal to establish a mall was originally made by the Mokena Chamber of Commerce. That body wanted to do the job but because of the transitory nature of the organization the railroad declined to do business with the Chamber but said it would deal with the village.

The village will borrow the money from the Mokena

State Bank which will be protected by the tax levy, it was explained. The Chamber had collected about \$6,000 with the idea of buying the land and this money will be turned over to the village, either to apply on the purchase price or on the landscaping and improvements for the mall.

The ordinance authorizing the purchase also contains a section devoted to the mechanics of holding a refer-

endum on the proposition. If a properly drawn petition, carrying the signatures of Mokena citizens equal in number to at least one per cent of the total vote cast in the last preceding village election, is presented to the village board within 60 days after the second publication of the ordinance, the law requires the board to call a referendum. In that case the residents of the village would decide the mall question.

'A Taste Of Israel' Next Travel Show

LEMONT -- "A Taste of Israel" is the second in the intriguing Travel and Adventure series being sponsored by the Lemont Lions club.

The showing will be Tues-

day, Nov. 11 at 7:30 p.m. at the Lemont Grade School auditorium.

The probing camera of Lemont's own Sid Dodson produces a skillfully blended photographic tour of Israel. From the sparkling Mediterranean resorts to the mysterious but beautiful Negev desert, this is a character study of people from all over the world.

Tickets are available at the door. Single adult admission is \$1.50, and students are \$1. Six admission tickets which can be used in any combination for this and four other Travel and Adventure programs that remain are \$6. This series continues monthly through March.

Dodson has been a freelance photographer for more than fifteen years. Born and educated in England, he became a United States citizen in 1957.

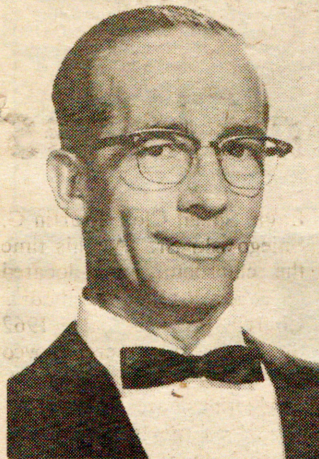

He enlisted in the British Army in 1939, served in France and Belgium and escaped Dunkirk. He subsequently spent five years in the Middle East where he met and married Margot who at that time was serving with the British counterpart of the U. S. O.

In 1949 he moved his family to the United States obtaining a position as chief engineer with an Illinois industry, continuing his photographic business part-time and branching out into cinematography.

He has been very active in civic affairs in his home town, Lemont, and is past president of the Lemont Lions club. He prefers the outdoors and together with Margot has explored much of the Canadian wilderness on numerous fishing trips.

He believes the film lecturer has a great opportunity to promote a better understanding between the people of the different countries of this world we live in, and his professional cinematography experience coupled with his love of people and travel has induced him to make the lecture field his full-time occupation.

Although his wife Margot does not appear on the platform she helps by handling sound recording, second camera work, and assists with research and editing.

School Opening Opener

MOKENA -- Dedication of the new Willowcrest primary school on Sunday, Nov. 9, will mark the beginning of the observance of American Education Week at Mokena.

American Education Week begins Sunday and runs thru Nov. 15. This is the time when most parents visit the schools their children attend.

At Mokena Nov. 10 has been set aside for parent-teacher conferences, according to James Ennis, superintendent. There will be no classes that day nor the next, Nov. 11 being Veterans Day, known to older generations as Armistice Day as Nov. 11, 1918 marked the end of armed conflict in World War I.

On Wednesday, Nov. 12 the three-day book fair will open and there will also be the Cole Marionette show, and parents will have an opportunity to visit classrooms while work is in progress. The visitation and the book fair will continue through Nov. 13 and 14.

The first home basketball game is also scheduled for Nov. 14.

Lab Has Negative Report

LOCKPORT -- Carl Munson, Lockport Fire Chief, said Sunday that he had received a "negative report" from the State Crime Lab regarding the fire Thursday, Oct. 23, at the Lewis College Library. The report was presented after analysis of "cans and cushions," which were collected and taken to the crime lab following the \$75,000 fire.

Munson said he had not yet received a report from the State Fire Marshal. That office, plus the crime laboratory, and local fire and police department personnel have been investigating the fire.

Brother Paul French, president of the college said that extensive damage was caused to one of the three wings in the library. Approximately 10,000 books were damaged; however it is not possible to determine the value of the collection at this time.

The blaze apparently started in the student newspaper office; most of the damage was restricted to that office, another Library office, and the ceiling and roof of one wing.

Seek To Recognize Youths

SOUTHWEST -- The annual Elks Leadership Contest has opened to youths in the region, announced Bert Temple, Exalted Ruler of Joliet Elks Lodge No. 296.

"This contest is to recognize and reward youth leaders," he said in an announcement last week. "We seek those who by their con-

duct and manner of living, exemplify initiative, citizenship appreciation, resourcefulness and sense of honor, and thereby display outstanding leadership."

"All boys and girls in 9th, 10th, 11th and 12th grades, who are enrolled in high school at the time of entry and who will not reach their 19th birthday before July 2,

1970, are eligible contestants.

It was emphasized that this is not a scholastic competition. Being sought are boys and girls who are recognized by their classmates and youthful associates and by their teachers, clergymen, coaches, parents and citizens as leaders.

A boy and girl winner of the local lodge contest will

each receive a \$25 U.S. Savings Bond and will be entered in the district contest and be eligible for further awards at district and state level.

Finally a boy and girl winner of the state competition will be eligible for national awards in addition to receiving \$350 in U.S. Savings Bonds. National winners to be selected by a three-member panel of nationally prominent citizens, will receive the following prizes, identical for boys and girls: first place, \$2,000 in U.S. Savings Bonds; second place, \$1,600 in U.S. Savings Bonds; and third place \$1,250 bond.

Exalted Ruler Temple stated that the local contest would be conducted by a committee under the chairmanship of Norm Keck, of the Joliet Elks, Lodge. Entry blanks, including contest rules, may be obtained by contacting him at the Elks Lodge, 155 Scott St., Joliet. All contest entry brochures must be submitted to Keck prior to Dec. 6.

SPEAK OUT ON REFERENDUM

LOCKPORT -- In order to provide a public service to our readers, The Southwest Graphic has asked Harold Scholle, superintendent of School District 205, to answer readers' questions regarding the upcoming referendum scheduled for Dec. 16.

The referendum if passed, will provide funds to keep the school district running, and to build housing and core facilities for 700 students at East High, 1,000 at West High, and a proposed Northwest campus four-year high school for 1,100 students.

Readers who wish information about the referendum may send their questions to Scholle in care of The Southwest Graphic, 1022 State St., Lockport 60441. These questions will be forwarded to the superintendent

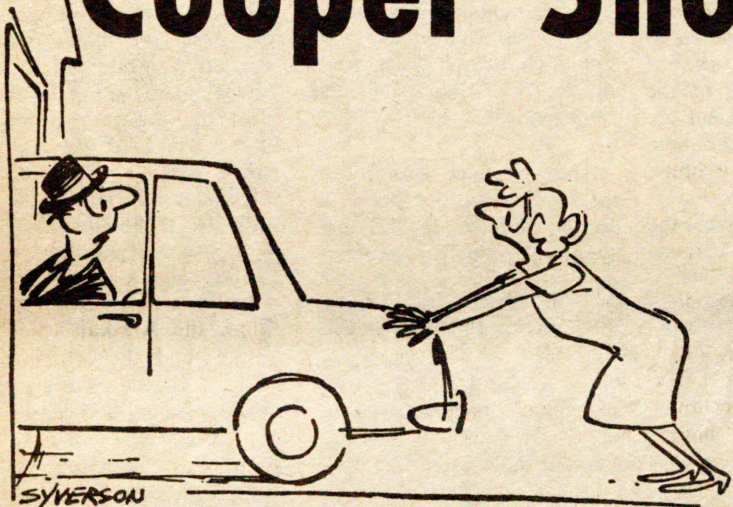

who will answer as many queries as space permits in the paper.

Time does not permit the personal response to any letter. The letters need not be signed, but question must be concise and must pertain to the referendum.

The Southwest Graphic hopes that the people in the community who have a specific question will take advantage of this unique service. There is much discussion today about the "communication gap" between taxpayers and various governing bodies. The gap, if it exists, cannot be filled by idle questions over cocktails or heated discussion among friends.

Many procedures have been tried to control fast-growing cancers, including surgery, use of hormones, drugs or chemotherapy, and irradiation by X-ray, cobalt or other radioactive substances. Most of these treatments have some adverse effects on normal tissue, and are more dangerous to general health than the tumor itself.

A new and safe approach, however, is now being explored by Dr. Albert B. Lorincz of the University of Chicago. One of the main characteristics of cancer cells is the rapidity with which they grow and multiply, indicating a voracious appetite for growth nutrients. Thus, Dr. Lorincz reasons that by depriving the tumor

cells of their essential nutrients he can disrupt their metabolism. "In terms of simplicity and directness, a dietetic approach has much to recommend it," he says. "Metabolism depends on nutrition."

Cell growth results from

metabolism of proteins, and the synthesis of proteins in mammals cannot take place without the presence of at least eight essential amino acids. By depriving the tumor cells of specific essential amino acids, Dr. Lorincz hopes to arrest their growth. The problem, he says, is to "strike a happy balance in formulating diets that adequately maintain the health of normal tissue, but still can exercise a retarding influence on cancerous growths..."

In his first diets, Dr. Lorincz restricted lysine and phenylalanine, important amino acids found in high protein foods. He reported that "essential amino acid restriction offers certain theoretical advantages as a means of limiting tumor growth" and that "adverse byproducts can be terminated rapidly by again feeding a balanced and adequate diet."

It is, he believes, far easier to starve an animal than a tumor. Yet, he has already had considerable success, especially with patients who no longer responded to any conventional therapies. Tumors he has treated include Hodgkin's disease, melanomas, breast, cervical and ovarian carcinomas. In all instances, improvement lasted as long as patients stayed on the diets. Patients who abandoned the diets suffered a rapid recurrence of their malignancies, he reported.

A report on his work will appear in the March issue of the *Journal of the American Dietetic Association*.

SAFETY GLASSES-- Alaska has just passed a law requiring that all eyeglasses, even sunglasses, must be fitted with either plastic or safety glass lenses, and that no frames may be sold that are of combustible materials.

EVENTS INFLUENCE HEALTH -- Dr. Thomas Holmes of the University of Washington believes that changes in physical health are predictable from events in the individual's life. The link may be in the body's immunity system. Fear, for instance, may suppress antibody production.

Athletes Have Better Grades

Copyright 1969, World Book Science Service

Interscholastic sports play a big part in both high school and college life in this country. Scientists are beginning to shed some new light on the old debate about whether athletics get in the way of schoolwork.

In a recent study of the records of 585 boys in two Midwestern high schools, the athletes actually had better grades than the non-athletes. The boys who were most active in sports had even better records than the less active ones, compared to non-athletes. Football or basketball players had higher grade point averages than their non-athletic classmates. Participants in what the researchers called "minor sports" -- track, swimming, etc. -- also had better averages than comparable non-athletes, but the differences were not as great.

Perhaps the hard work and persistence that athletes learn on the field spills over into their schoolwork. Maybe their superior physical

condition improves their mental performance. Do they make more efficient use of their limited study time?

Perhaps athletes strive to get good grades just to be eligible for certain sports or for scholarships. Do they get extra help with their homework? It's not impossible that athletes are graded more leniently by their teachers.

The sociologists who performed this research are jumping to only one firm conclusion: More research is needed.

Veterans Day

Veterans Day is next Tuesday, Nov. 11.

Men of this country, no matter of what political or philosophical stripe, should pause to note the service of Americans to their country and its cause.

President Nixon has addressed the following message to veterans in VA hospitals. They, perhaps, have suffered more than most:

Writing of the men who had served under him at Valley Forge, George Washington said "... no history ... can furnish an instance of an Army's suffering such uncommon hardships as ours have done, and bearing them with the same patience and fortitude."

Patience and fortitude in the face of hardship have, since the American Revolution, been the pride of the American men

and women who have served with valor and distinction the cause of freedom.

For many the hardships of battle did not end on the battlefield. Yet the men and women veterans who are now in our veterans hospitals still display the patience and fortitude which marked their contributions to their country.

I salute all of the veterans now in our veterans hospitals. Men and women of undoubted courage when duty called, they deserve the best care a grateful nation can give them.

But even more than care, they deserve thanks on this day of commemoration. To all men and women in our veterans hospitals, I send the gratitude of all Americans.

-- Richard Nixon

Get Jump On Winter

The Will County Office of Civil Defense has issued a bulletin that in makeup and typography looks like it might have come out of an old fashioned almanac. It is appropriate that it should. The bulletin deals with weather.

"How to Get A Jump on Winter Storms," shouts the top line in fat, black, truss-ad type. Timely advice, too, in these latitudes. Winter storms are not the spectaculars, like tornados. Even blizzards do not carry off roofs or rip walls apart but winter storms do take human lives and are just plain hell on livestock and stockraisers.

The weather bureau, according to the Civil Defense bulletin, considers November the kickoff month for winter storms. As you rake leaves and gather kindling, the bulletin suggests you prepare yourself, your home and your car against the snow. It enumerates:

Examine battery-powered equipment -- before the storm arrives. If you have an emergency generator, is it in working order?

Put in a full supply of heating fuel.

Check your pantry, and stock an extra supply of food.

Eliminate any fire hazards. Especially guard against overheated coal or oil burning stoves, fireplaces, heaters or furnaces.

Unless you are in good shape, stay indoors during storms and cold snaps. If you must go out avoid overexertion.

Dress to fit the season. Don't pile on long Johns and sweaters, but select loose-fitting lightweight, warm clothing in several layers which can be peeled off and put on again to avoid perspiring and subsequent chilling.

Don't kill yourself shoveling.

Get your car ready for winter.

When travel is a must during the winter months, the wise motorist has his car winterized before the storm season begins. Put on snow tires, get some chains and be sure to check:

Ignition system, battery, lights, tire tread,

cooling system, fuel system, exhaust system, heater, lubrication, brakes, wiper blades, defroster, anti-freeze and winter-grade oil.

Suggested for a winter-storm car kit:

Two or more blankets, sleeping bag or a box of newspapers. Two one-gallon cans with plastic covers or empty three-pound, capped coffee cans, for sanitary facilities.

Matches and candles; extra clothing, such as winter caps, mittens, golasches; transistor radio for storm bulletins; compass and maps; pocket knife, first aid kit and shovel; large box of facial tissue; a sack of sand for traction in snow and ice; flashlight or signal light to be used for SOS, or to find help; scraper for windshield; booster battery cable; two chains, 20 inches or longer, fire extinguisher; catalytic heater and a compact alcohol stove.

Assuming your car is prepared for winter, you have your storm kit, are wearing appropriate clothing -- and you get caught in a blizzard, here are some pointers to follow until help arrives, says Civil Defense:

Stay in the car. You are more likely to be found there than if you go wandering around in a blizzard and become disoriented from blowing snow.

Keep a window open for a bit of fresh air. (Freezing wet snow can completely seal you in, and seal oxygen out.)

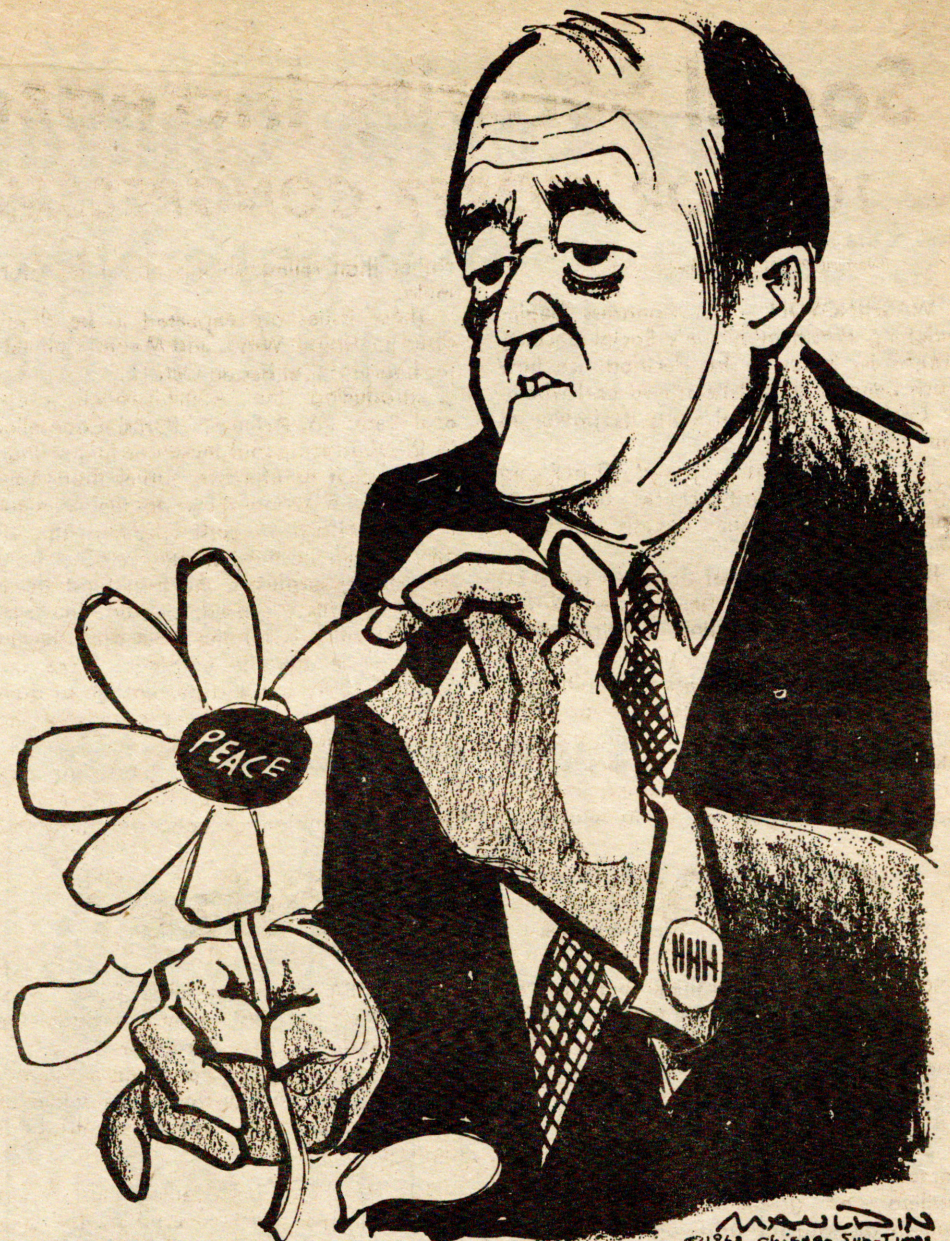

Beware of carbon monoxide, the silent killer. Run the engine and heater sparingly, and only with a window open for ventilation.

Clap your hands and move your arms and legs vigorously from time to time. Do not stay in one position too long.

Turn on some light at night to make your car visible to work crews.

If there are several persons in the car don't all sleep at once. Take turns keeping watch.

Above all don't panic.

LETTERS TO THE EDITOR

Sees Burning Bus

Editor:

On October 31, 1969 at about 9:15 a.m. in the morning at State Street and Cass Streets, I saw Lemont Community School Bus No. 2 driven by Mrs. Ann Povlish stopped and smoking because of a disabling electrical fire.

I, being the sixth car, five previously having passed the burning, smoking vehicle stopped to aid and give assistance. But of the five previous vehicles, the last of the five vehicles was that of a leading Lemont citizen.

Why did none of these five vehicles stop? No children were present at the time, but what if it (the bus) had been full of children and no one to aid them.

How can some people be so hard hearted as to pass a school bus in trouble, with smoke pouring from the windows?

I have no children of my own, but we can still save and protect the children of others, when there is a danger present such as this.

Sincerely,

Marvin Stein

Dear Aunt Dixie,

We have got the bad news. Now we are trying to do something, to. I asked Nancy if nothing can be done about the land and then take all the animals away and put them around the Little Red School House. I do hope we can save the land and animals. That would keep it from sinking.

Hope for succese.

On Friday, Oct. 17, three young women and two men, teachers in the Chicago Elementary schools, brought twenty

seven of their pupils out to the home of Mr. and Mrs. Louis Buckner on McCarthy Road, Lemont Twp. for an outing.

They enjoyed a nature-study walk in the natural area behind the Buckner residence. This natural, untouched area abounds with wild life and natural plants and a slough where at this season migrating birds on their way to winter homes in the southland, stop for a rest.

Social Security Increases: How And How Much 10% OR MORE? CONGRESSMEN CITE GALLOPING INFLATION

(Copyright 1969, By Congressional Quarterly, Inc.)

WASHINGTON -- As Congress begins weighing President Nixon's Social Security proposals, issues to be decided are how much benefits should be raised and whether Congress should give up its power to raise them.

The President has proposed 10 per cent higher Social Security checks starting in April and automatic benefit increases thereafter.

But many Members of Congress say a 10 per cent increase in benefits would fail to make up for inflation, particularly if increases are delayed while the cost of living continues to go up. And although automatic benefit increases are politically attractive in the short run, Congress may take the longer view that it should continue to take credit for raising benefits itself when the cost of living warrants,

rather than relinquish this power to a formula.

Those issues are expected to be developed in House Ways and Means Committee hearings that began Oct. 15.

Introducing the Administration proposal Sept. 25, Arthur F. Burns, Counsellor to the President, said increases higher than 10 per cent or effective earlier than April would be a serious blow to the Administration's efforts to curb inflation. The 10 per cent increase could be financed from an existing surplus in the trust funds from which benefits are paid, he said. The trust funds' surplus is for the most part due to increases in taxable earnings. Since the Social Security tax is a percentage of payroll, as earnings rise the proceeds of the trust funds also rise.

Despite Administration fears for the budget, Rep. Gerald R. Ford (R. Mich.), House Minority leader, called for increased

benefits of at least 10 per cent by Jan. 1. He was supported by the chairman of the House Republican Policy Committee, John J. Rhodes (Ariz.), and the ranking Republican on the Ways and Means Committee, John W. Byrnes (Wis.).

At a party caucus Oct. 7, House Democrats unanimously agreed that President Nixon's proposed increase was "too little and too late." Led by Rep. Charles A. Vanik (D. Ohio), the Democrats called for an increase of 15 per cent to take effect no later than Dec. 1. Vanik says a 15 per cent increase could be financed from the trust fund surplus if the existing schedule of payroll tax increases is retained. The President proposes slowing down scheduled increases.

President Nixon proposes linking future Social Security benefit increases to changes in the Consumer Price Index, a measure of price changes used as an indicator of inflation. He said this reform would remove increases from biennial politics and make fair treatment of beneficiaries "a matter of certainty rather than a matter of hope."

Automatic increases in government pensions are already written into the laws of a number of countries and are used in the U. S. civil service retirement system. Under Nixon's proposal, an increase of at least 3 per cent in the Consumer Price Index sustained over a three-month period would trigger an equivalent percentage increase in Social Security benefits.

Rep. Wilbur D. Mills (D. Ark.), chairman of the House Ways and Means Committee, opposed automatic increases, saying he thinks Congress has done a good job of keeping benefits up to the cost of living. The Administration will be expected to show that automatic increases would not be inflationary and would provide adequate incomes for Social Security beneficiaries.

Opponents of automatic benefit increases are likely to argue they would feed inflation by adding to the purchasing power and thus giving prices a new boost. Economists disagree on the effect automatic increases have had on prices in other countries, but Members of Congress will want to find out what they can, particularly since the Administration does not propose reducing benefits if prices go down.

Another question that will be debated is the usefulness of adjusting benefits upward from the existing base. Sen. Harrison A. Williams (D. N.J.) says the effect of the Administration plan would be to maintain benefits at an inadequate level.

The Bureau of Labor Statistics estimated that in 1966 a retired couple needed \$3,869 annually to maintain a moderate standard of living. The average annual benefit for an aged couple, both receiving Social Security benefits, was \$2,040 in 1968, according to the Social Security Administration. Under President Nixon's proposal average benefits would be increased to \$2,256 a year at a time when unofficial estimates set moderate needs for a retired couple at more than \$4,000.

Can You Win Prize?

SOUTHWEST -- If you think your chances of winning a prize in one of the sweepstakes games offered by food markets and gasoline service stations are slim -- you are about to discover how right you are.

According to the Illinois State Bar Association, a new set of regulations for the promoters of games of chance in the food retailing and gasoline industry requires them to disclose the odds against winning a prize.

The new rules were formulated by the Federal Trade Commission following reports of deceptive practices by a few promoters, including publishing untruthful odds, failure to award prizes "by chance," the use of pre-marked tickets and continuation of contests beyond the date prizes were awarded.

The ISBA said the rules, which went into effect just last month, include the following disclosure requirements:

(1) Advertising for games must "clearly and conspicuously" disclose the number of prizes offered in the contest and the odds against winning them.

(2) Merchants and dealers must report the geographic area covered by the contest, the number of participating outlets (in case of chain stores), and the date that the contest will end.

(3) Winning game pieces must be distributed at random and records of this distribution must be kept.

(4) Winners and prizes must be posted. This information must also be furnished to the FTC when each contest ends.

Illinois Tax Rebate Is Available JUST BE QUALIFIED AND PROVE IT

SOUTHWEST -- Today in Illinois there is a tax return available to all who are qualified and can prove it, according to Lt. Gov. Paul Simon.

The state has on hand 32.5 million dollars in service occupation taxes -- on such things as medicine and tv repairs -- which were collected from August 1, 1967 to March 27, 1968. The tax was ruled unconstitutional by the Illinois Supreme Court on March 28, 1968, and the state was ordered by the court to return the money collected to the taxpayers.

So far only \$282,175.64 has been claimed. The final date for claiming refunds is December 1, 1969.

How can you get your share before it's too late?

Tax refund forms are available at most banks in the state. For claims under \$200 you need only fill out the form and produce a receipt showing that during the period from August 1, 1967 to March 17, 1968 you made a purchase from one of the following four categories: special order machine tools, graphic arts, prescription

drugs, or repairs on tangible property, like autos and television sets.

The rate of tax, divided between the state and counties, was 5 per cent.

For payments totalling \$200 or more, the same procedure is followed except the person to whom the money was paid must verify the claim and his service occupation tax number must be listed on the sheet.

Those who bore the tax without passing it on to the consumer may file for returns also.

Where can you find records for possible refunds?

Check the medicine cabinet for the number of prescription drugs. Contact the drug store and ask for a duplicate bill.

Look to your old check book records for bills paid to auto repairmen, drug stores, appliance, tv and radio repairmen.

Credit card customers can have their credit companies check the records by sending to them the billing date of the item.

Small businesses should look to their ac-

countants for receipts and corporations may have tax records stored in computers.

If you should decide to apply for a refund, be certain that your receipt is for the period when the tax was in effect and shows purchases from one of the four categories. Use separate refund forms for each place you made purchases.

For most citizens it probably is not worth the effort, but if you had major drug or repair bills during this period, it might be worth your time and effort to file.

During their walk, Mrs. Buckner (called "Aunt Dixie" by her nieces and nephews and their friends and school mates) explained to the children that this area is threatened with a "landfill operation" and that their annual spring and fall nature study excursions would come to an end unless the owner of the land (Mt. Vernon Memorial Hills, Inc.) and the landfill contractor could be persuaded to forego their plans for the landfill which would include the draining of the slough.

"Not destroy the beautiful lake?" "Oh, no!" "Why?" cried a chorus of young voices.

To say the children were crestfallen

at such a prospect is to put it mildly. Upon their return to their homes that evening and at school the next day they reported the news to other youngsters who had been out here before but had been unable to come on this trip.

One such little girl, Jane Dauphin, 9, whose brother had been on this excursion and had brought her a tadpole as a gift, expressed her concern in a letter to "Aunt Dixie" (Mrs. Buckner). The letter is shown above.

Local residents understand how the children feel for they have much more to lose if the landfill is not stopped. (The next hearing on this issue has been set for November 17 by the Cook County Board of Commissioners. It is to be held Monday, Nov. 17, at 3 p.m. at the Lemont Village Hall.)

insurance Questions

QUESTION: When my insurance company pays me for damage to my car from a collision, can I collect more money from the other driver if he is at fault?

ANSWER: Not for the same damage. When you accept the money from the company you assign to the company your rights to collect from the other driver so that the company may recover their loss from him if he is at fault.

Diane Beyer Becomes Thomas Wirth's Bride

LEMONT -- Diane Joyce Beyer, daughter of Mr. and Mrs. Alfred Beyer of North Aurora, became the bride of Thomas Francis Wirth, son of Mr. and Mrs. Kenneth Wirth of Lemont.

A nuptial mass was celebrated Sept. 27 at St. Patrick's Church, Lemont. The Rev. Fr. Fitzgerald officiated at the double ring ceremony. Altar bouquets were of white gladioli and white mums.

The bride was escorted by her father, Alfred Beyer Sr. She wore a full-length A-line gown of white organza trimmed at the cuffs and neckline with embroidered lace and sequins. The chapel train was fastened with a white organza bow. The three-tier finger-tip silk illusion veil was fastened by a headpiece of white satin. The bride carried a bouquet of white orchids and yellow roses.

Mrs. Sue Smith of Lemont served as the matron of honor. She wore a floor-length gown of yellow organza with the waistline trimmed with yellow roses, matching headpieces of cabbage rose with yellow veil.

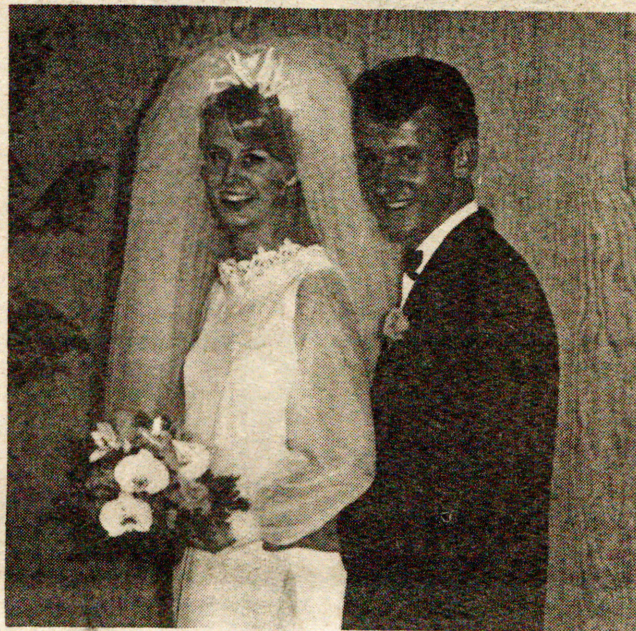

The bridesmaids wore identical dresses, and all carried bouquets of yellow pom-pom mums with yellow streamers. Bridesmaids were Miss Kay Stein of

Lockport; Miss Jackie Freitag of Tinley Park, and Mrs. Sandy Wirth of Lemont.

Grooms attendants were Chuck Nelson of Lemont, serving as best man to the groom; Tom and Jim Wirth,

brothers of the groom, both of Lemont, and Alfred Beyer Jr. of Tinley Park, brother to the bride.

A reception for 300 friends and relatives followed at the Lemont VFW hall. The couple resides in Lemont.

To Have Contest

LOCKPORT -- The Illinois Federation of Woman's Clubs and the Lockport Woman's Club will co-sponsor an art contest for seventh and eighth grade students in the Lockport schools.

The local chairman is Mrs. Donald Harpham. All grade schools in the Lockport Township High School District have been contacted, and invited to participate.

Entries will be displayed at the Lockport Township Library, after Thursday

Nov. 6, and judged after school Friday Nov. 7. Mrs. Margaret Mitzit Rich, Mrs. Roy Ullrich, and James Bergstrom, all local art instructors, have agreed to act as judges.

They will select a first, second and third place winner. In addition, a ribbon will be given for the winner of the "People's Choice," determined by ballots placed in a box which will be on display.

MR. AND MRS. PETER KOKAL, 145 E. Second Av., New Lenox, will celebrate their 25th wedding anniversary at an open house at their home on Nov. 9 from 2:30 to 5:30 p.m. Host and hostesses will be their children, Mr. and Mrs. Ronald Kokal and Mr. and Mrs. Richard Lockhart and their two grandchildren Ronald and Richard Lockhart. They were married Nov. 4, 1944 at St. Peter's United Church of Christ in Frankfort. He is employed at General Refractories at Rockdale and she works at Braun Sales, New Lenox. All relatives and friends are invited to attend the open house.

Tells Girls State Work

LEMONT -- Donna Bumber would like to relive her summer experience in a governmental study program by helping other girls have the training she received.

That's what the Lemont High School senior told a recent meeting of the Lemont American Legion Auxiliary Unit 243. Miss Bumber was the 1969 candidate for Illini Girls State.

She reported on the week she spent at MacMurray College studying how the

government of the United States works. She was in a group of 520 girls who conducted mock government proceedings.

Miss Bumber was a Judge of Elections and said, "I learned so much from holding this office I feel as though I could help at the polls next election."

It seemed as though her membership at IGS was important: "I think it was one of the greatest experiences I've ever had. In one short

week I learned a lot about the United States, met people working in our government and became friends with many wonderful girls regardless of color or beliefs."

She plans to attend college next fall and plans on going back to Illini Girls State in two years as a counselor for the girls that will be experiencing all the fun she did.

Tired Mother

Dear Miss Brookfield:

With a son going on two, household chores, and starting the day at 5:30 a.m., I find that shortly after putting our child to bed I promptly fall asleep when I sit down with my husband to watch television. He gets furious. I have talked with younger women and they have the same problem. I am 40. I have tried everything to avoid dozing off, but without success. Have you any suggestions?

C.L., Haledon, N.J.

Dear C.L.:

You write that you have "tried everything," but have you tried either to plan your chores or ignore the unfinished ones so that you can take an hour's nap in the afternoon when your child does? It might do you a world of good, so let the dusting go. Also, for many people television has a mesmerizing effect, causing them to doze off. Do you fall asleep on those evenings when you don't watch television and have company over instead? You might try keeping a light on while watching television and giving the tube only partial attention, knitting or mending at the same time.

If the daily nap and the suggestions concerning television fail, it may be that you are tired for some medically treatable reason. Talk it over with your doctor the next time you visit him. He may well have a helpful suggestion.

The Pill

Dear Miss Brookfield:

How long can a woman continue to take the birth control pill? I am 37 and am still taking the same prescription given to me by a former doctor. I have since had a checkup by a new doctor and was told I am all right.

B.M., New Iberia, La.

Dear B.M.:

According to medical authorities, the Pill can be taken indefinitely, but as the prescription is only for a six-month period, it is renewable only by the physician when the woman goes in for a semi-annual checkup. You failed to advise us whether you told the new doctor that you were on the birth control pill. When visiting a new doctor you should always tell him what medications you are taking.

Menopausal Symptoms

Dear Miss Brookfield:

I read an article in the local newspaper on the menopause. Can you tell me all the symptoms of the menopause? I am familiar with the more common ones, but I have read that there are 50 menopausal symptoms. Can you tell an anxious woman what they are?

M.M., Long Beach, Calif.

Dear M.M.:

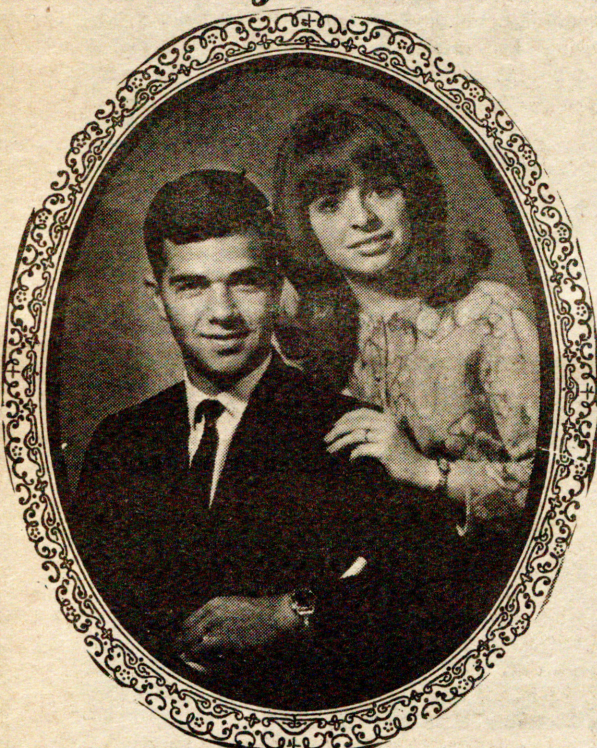

The menopause can cause diverse physical and emotional symptoms. Some emotional ones are so ill-defined that it is sometimes difficult for a physician to know whether a woman's depressed state is, say, due to the menopause -- change of life -- or to a change in her way of living -- specifically, the so-called "empty nest" once the children have grown.

In his book, "The Ageless Woman," now available in paperback, Dr. Sherwin Kaufman takes note of the wide range of physical menopausal symptoms. He writes: "One report, for example, lists 11 specific menopausal symptoms. Another lists no less than 28. I recently reviewed the histories of two hundred menopausal or postmenopausal patients in my practice, each of whom related her own complaints to menopause according to what she had heard or read in various publications. There were almost 50 different symptoms."

Despite what women tell their physicians, there are definite physical symptoms attributed to deficiency of the female hormone, estrogen, in the menopausal and postmenopausal woman. These include: hot flashes, night sweats, insomnia, fatigue, backache, painful sexual relations, and osteoporosis, which is a thinning of the bones, particularly in the spinal column, leading to a shortening of height and the so-called dowager's hump.

We would suggest, however, that the best person to talk to about specific menopausal-age complaints is your physician.

Is Nostalgia Set For LWC Dads

LOCKPORT -- The Lockport Woman's Club will present a program especially for their husbands at this year's annual Men's Night.

The affair is scheduled for Wednesday, Nov. 12, at White Fence Farm. The social hour will begin at 6:30 p.m., followed by dinner at 7. Reservations must be made with the telephone committee by Thursday, Nov. 6.

The program will begin with the Joliet Chapter of the Sweet Adelines. Following their presentation, Roy West, of WIND in Chicago will present an interesting and nostalgic program called "Good Old Radio."

The program not only makes yesterday come alive,

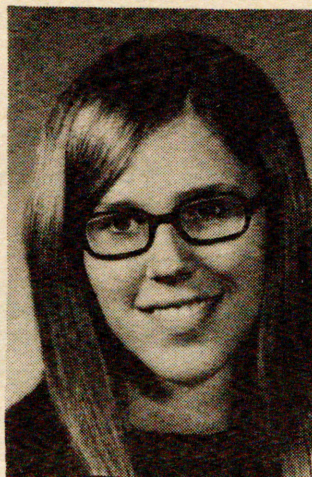

but also manages to show a new world to people who did not live when Fibber McGee and Molly, Amos 'n Andy, Jack Armstrong, and The Shadow ruled the entertainment world. West uses excerpts of actual recordings from old broadcasts. He has been a radio personality for 12 years, and a radio buff since his teens.

The menu for the evening consists of a choice of chicken, (at \$3.80 per person), or steak, (\$6.15 per person). The choice need not be made in advance, but can be ordered after arrival.

Mrs. Francis Caneva and Mrs. Arthur Shepherd, co-chairmen, and their husbands will be the hosts and hostesses.

Rev. and Mrs. George Hoagland, formerly of Lemont, and now residing in Marietta, Minn., announce the engagement of their daughter, Gayle Andrine, to Mr. Wesley Dean Smith, son of Mr. and Mrs. Lyle W. Smith, of Nassau, Minn. Miss Hoagland is a 1969 graduate of Hillcrest Lutheran Academy in Fergus Falls, Minn. and is now in Ridgecrest, California.

Harvest Festival At Providence

NEW LENOX -- The Providence Mother's Club heard Father McDonald, Vocational Director of the Diocese of Joliet, speak on the vocations of priests at their Oct. 15 meeting.

Sister Jane Bodine, S.P. Assistant principal and moderator of the Mothers' Club opened the meeting with a prayer.

Mrs. Joseph Smriga, president, reported on the progress of the Harvest Festival, to be held at Providence High School on Nov. 22 and 23.

Father McDonald introduced Lawrence Molitz and Gerald Rogers, both of St. Charles Borromeo Seminary. They explained their views of apostolic work, pertaining to their vocations and studies. A question and answer period followed their discussion.

Mrs. Harry Clemens, chairman of the upcoming style show announced that the sponsor will be Wolfson's, of Joliet.

Sister Jane Bodine announced that all parents are welcome to visit the school during American Education Week, Nov. 9-15, and consult with educators at any time during this week of "Open House."

No meeting is scheduled for November.

Men's Steak Fry

ROMEOVILLE -- A steak fry and smoker, sponsored by St. Andrew's Holy Name Society, will be held Nov. 8 from 6 p.m. to 1 a.m. in Sacred Heart Hall in the school. Tickets are \$3 per person and may be obtained from members or by calling 838-3325 or 838-3532.

The St. Andrew's C.C.W. Ways and Means meeting will be held Nov. 13 at 8 p.m. in the school. All Christmas bazaar chairmen are asked to attend. This is the last meeting before the Dec. bazaar and final plans will be made for booth and Santa's arrival.

Parents are welcome to visit their child's class in action during National Education Week. There is no school Nov. 11, but visiting hours are between 9:15 a.m. and 3:10 p.m. other days.

There were three winners in the decal sale for the benefit of the St. Andrew's Athletic Program. Cindy Kobel and Dawn Hockenbrough tied for the girls sales and Rick Welch was top salesman for the school. The proceeds are used to cover costs for flag football, basketball and the girls' athletic programs.

James Pinta of St. Andrew's has had a poster accepted for publication in the Summer Weekly Reader of Sept. 18, 1969.

MR. AND MRS. WILLIAM M. EARNEST were married Oct. 10 in the Lockhart United Methodist Church at Orlando, Fla. The bride is the daughter of Mr. and Mrs. Lavern R. DeGard, Orlando, and the granddaughter of Mrs. Earl F. Strasburg, formerly of New Lenox and now of Florida. The bridegroom, who is serving in the U.S. Air Force, is the son of Mr. and Mrs. James W. Earnest.

What's Life Worth?

WILL COUNTY -- How much is your life worth?

Would you be willing to invest eight hours and \$1 in a seminar that might save your life?

Throughout the United States, many thousands of good, conscientious automobile drivers are now enrolling in defensive driving courses. This program is aimed at traffic accident prevention and has complete backing of the National Safety Council. The course offers every licensed motorist a standardized method for improving his driving ability through the practice of pro-

fessional safe driving techniques.

Eugene M. Malone, Farm Bureau executive secretary, announced that a Defensive Driving Course will be held Nov. 13 and 14. The course will include movies, visual aids, lecture and discussion methods.

If you have eight hours of time to invest in your and your family's safety, you are invited to contact the Farm Bureau office in Joliet, and enroll in the Defensive Driving Course. Phone (815) 727-4811.

Mapping The Year

WILL COUNTY -- The Guild Members of the Family Welfare Service will hold a general meeting tomorrow night, Nov. 6, at 12:30 p.m. to formulate plans for the coming year.

Princely Role In 'Lion'

SOUTHWEST -- Young English actor Nigel Terry makes a signal screen debut in Joseph E. Levine's presentation of "The Lion in

Winter," an Avco Embassy Film in Panavision and Color, which starts its second week this Friday at the Mode Theatre, starring Peter O'Toole and Katharine Hepburn.

Terry portrays Prince John, the cowardly, cruel and disloyal son of Henry II and Eleanor of Aquitaine, later to become the King John whose injustices provoked the signing of the Magna Carta.

Produced by Martin Poll, with Levine as Executive Producer, "The Lion in Winter" was directed by Anthony Harvey from James Goldman's award-winning screenplay.

This year's Halloween party was most successful affair. A lot of the credit must go to the committee in charge for its work and

Tinley Gardens

thanks are due members of the community for their donations and enthusiasm. Members of the committee were Cass Ott, Charlotte Lewis and Diane Shuman.

The costumes were really great this year and choosing the winners was a difficult task for the judges. Their choices:

Children's division: Rhonda Hewgley, as a Jail Bird; Barbara Ott, as Aunt Jemima and Larry Sandy as the Hunchback of Notre Dame.

Adult division: Mrs. Vern Hrebleard, who had an outstanding turkey costume...

A Welcome to Chuck Zeitz and Ed Vander Veen back from an eight-day hunting trip in upper Wyoming. Each bagged a deer: Chuck's was a doe while that of Ed was a seven-point buck...

Jackie Terry celebrated his seventh birthday Oct. 25. Twenty-five children attended the party...

40 reasons why the electric dryer stacks up as a better buy.

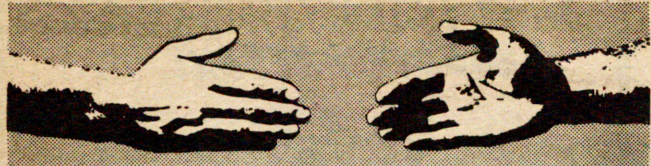

Electric dryers are priced up to \$40 less than comparable gas models. This savings can represent about three years of cost-free drying under average family use.

The electric dryer surrounds your wash with gentle radiant heat, so your clothes are always soft and wrinkle-free. The economy and space-saving convenience of electric dryers enable you to give your family a sunshine-free wash, day or night, in any season. Put a little more sunshine in your life—the new, radiant electric dryer.

Hunt Is Success

ROMEOVILLE -- The Romeoville Jaycees recently completed a successful witch hunt.

A witch from Romeoville, the Jaycees report, was dragged from her patians and cauldrons on Halloween evening and was burned at the stake.

The ceremonies took place at the Hampton Park Terrace shopping center. Also included in the evening's festivities was a dance for teens, with best dancer competition. There was also a wrecked auto that could be smashed with a sledgehammer for the fun of it.

Bible Week Is Starting

theran Church said last week in announcing plans for the observance of Bible Sunday on Nov. 9, launching National Bible Week through Thanksgiving Week and Worldwide Bible Reading Thanksgiving to Christmas.

Referring to a conversation Jesus Christ had with His disciples, the Rev. Schaller quoted John 8:31, "if you obey my teaching you are really my disciples; you will know the truth, and the truth will make you free."

Many are returning to the habit of daily Bible reading today, he said. This is especially true among the members of the Armed Forces. The American Bible Society reports an even greater demand for Scriptures from U.S. military chaplains in 1969 than last

year. People who do not have a Bible or New Testament may purchase an inexpensive copy at St. Matthew Lutheran Church on Bible Sunday. Worship services are scheduled for 8 and 10:30 a.m.

'Midgets' To Feast

SOUTHWEST -- The 21st annual banquet for the U.A.R.A. Midgets of Joliet is set for Saturday night at Cavallini's Restaurant in Midlothian.

According to Sandy Carter of Crest Hill, spokesman, it's the "night that drivers and owners get together and have their reward for a good season."

To See Just How Atoms Work

NEW LENOX/LOCKPORT - Atomic science's peaceful applications will be explained in a demonstration lecture at Lincoln-way High School on Friday, Nov. 14 and at Lockport Central High School Nov. 17.

The program, "This Atomic World," is designed to tell students about the

basic principles of nuclear energy, its sources, and its role in agriculture, industry, medicine, and research.

Sponsored by the Atomic Energy Commission, the program is presented by Northern Illinois University and its department of physics in cooperation with Oak Ridge Associated Universi-

ties, a nonprofit educational and research corporation of 41 Southern institutions of higher education.

David L. Davis, a faculty assistant in NIU's physics department, will present the assembly program at 9 a.m.

in the Lincoln-way auditorium.

The presentation explains, in terms clear to students, the structure of atoms and the operation of nuclear reactors, plus such concepts as radiation.

Obituaries

Clarence Pearson

Clarence Pearson, 73, of North Stephen St., Lemont, died Wednesday, Oct. 26 at Silver Cross Hospital after a short illness.

Mr. Pearson was a life-long resident of the Lemont area. He was retired and had been an employee of the Cook County Highway Department.

Survivors include half-sisters Florence (Mrs. Dewey) Rodeghero of Lockport; Mabel (Mrs. James) Morris of Joliet; Helen (Mrs. Harry) Clark of Joliet; Grace (Mrs. Stephen) Sak of Joliet, and Marjorie (Mrs. Arthur) Pesavento of Lockport.

Services were Oct. 29 at the Gerharz Funeral Home. Interment was at Bethany Cemetery, Lemont Township.

Lydia Ryan

Mrs. Lydia Ryan, (nee Oswald), 91, of Winter Park, Fla., formerly of Mokena, died Tuesday, Oct. 28, 1969 after a long illness.

Born in Mokena April 21, 1878, she was a resident of this area until moving to Florida. She taught piano and organ lessons in this area and Joliet for many years, and was an organist for several churches. Her husband, Harris, who died in 1947, owned and operated an organ and violin studio in Tulsa, Okla.

Preceding her in death were three brothers, Erhardt, Julius and Clem; four sisters, Rose Beckstein, Emma Hauck, Louise Schweiser and Margaret Oswald.

Surviving are seven nieces, Marguerite Schweiser and Romona Moran of Joliet, Rosa Mapes of Annawan, Ophelia Logan of Winter Park, Heights and Waunita Taggart and Ruby Palmer of Glendale, Calif. and two nephews, Harry Oswald of Evanston and Dolph Oswald of Guthrie, Okla.

Funeral services were held Nov. 1, 1969, at Hirsch Memorial Chapel, Tinley Park, with Rev. Laslo Hunyady officiating. Burial was at St. John's Cemetery.

Jenny Reeser

Funeral services were conducted Tuesday for Jenny Reeser, 73, of 143 Gum St., New Lenox, who died suddenly Nov. 2 at Silver Cross Hospital, Joliet.

The services were held from the Baskerville Chapel, Roberts Rd. and Lincoln Highway, at 1:30 to Trinity Lutheran Church at 2 o'clock. The Rev. Leonard Reinke officiated and interment was in Maplewood Cemetery.

Mrs. Reeser was born in Germany and came to the United States in 1921 and to New Lenox four years later. She had been a resident there since. She was a member of the Women's League of Trinity Lutheran Church and of the Royal Neighbors of America.

Besides her husband, Charles, Mrs. Reeser is survived by three sisters and a brother, in Germany, and two grandchildren. She was preceded in death by a son Walter, in 1966.

The floor, incidently, would have to be replaced. A large meeting room could be made available as well as offices for the village clerk and other departments.

At a meeting of the village zoning board of appeals Oct.

Purchase of some of the ornamental poles and lights that have been in use on the Eden Expressway is being considered by the village board. The poles, with

The Mokena board has been considering improving the lighting on Front St. for several months but the pole cost has given it pause. The village was informed of the City of Chicago pole sale by Commonwealth Edison Co.

Trustee Anthony Dina is to

ascertain the definite needs a lighting improvement will entail. Front St. is rather dark, it was pointed out, and several poles need replacing. New lights are needed for the entire system, it was said.

Indians Share 1st Place For Season

By RUSS SANDBERG
LEMONT -- Lemont's 24-6 win over visiting Sandwich High last Saturday afternoon was the culmination of a highly successful 1969 varsity football campaign.

With this win the Indians took their share along with Wilmington High, of first place Northeast Conference honors.

Both clubs wound up with league marks of 6-1, while Lemont's overall record was a superb ledger of 7-1.

Ironically, the locals defeated Wilmington 32-20 in their lone meeting, but a last minute 15-14 loss to Yorkville was all that stood between Lemont and a perfect record.

Head Coach Jan Cralle and his assistant Matt Con-

nor, plus the members of their 36 man squad, most certainly have earned the plaudits of all Lemonters for a job well done.

For a while last Saturday afternoon however it appeared that a determined Sandwich club was possibly going to carry out a spoiler role.

The Sandwich variety of Indian dominated play during the opening stanza. They used up a good portion of the period in an 83 yard drive which was completed in the final 14 seconds when Allen scored from 1 yard out.

The brother passing combination of Avery to Avery then connected for a 2 pointer, and the figure of an 8-0 deficit set local followers to squirming.

This anxiety was eased when the sturdy band of Lemont Indians followed with a successful 65 yard scoring move of their own.

When the ensuing kickoff had been returned to the Sandwich 35, John Schwer and Mark Sniegowski bolted to a first down at midfield.

Quarterback Mike Hennebry then set his sights on

speedy end Dick Pierce, who gathered in an over the middle aerial at the 40, and then outran all defenders to the Sandwich goal line. The conversion try failed.

Shortly thereafter, visiting quarterback Avery found himself deposited in his own end zone by Rich Gendeman and John Schwer. The resulting safety knotted the contest at 8-8.

Sandwich, after their opening 83 yard sortie, were never again destined to approach the Lemont end zone perimeter. Lemont's defense continued to apply pressure at all points, and another breakthrough occurred when junior linebacker Steve Pociask intercepted a pass on our own 48 yard line.

Mark (Fang) Sniegowski made a move to midfield. Mike Hennebry then tossed a strike to lanky end Dennis Bubinas for a first down at the Sandwich 31.

The fast moving Sniegowski drove to the 28. Two plays later, he gathered in a screen pass from Hennebry and moved in for the score which put Lemont in front to stay. A successful Hen-

nebry to Sniegowski 2 point pass maneuver upped Lemont's halftime bulge to 16-8.

Lemont's offensive momentum still had a carry-over effect when second half play got underway. The first time the locals had ball possession, they moved 75 yards in 10 plays to take all the mustard out of Sandwich.

The running of John Schwer and Mark Sniegow-

ski, plus a 20 yard pass from Hennebry to Pierce, set up the Indians with a first down on the Sandwich 16.

Schwer then took over solo ball carrying duties, and in 3 plays, moved in for the touchdown. Mike Hennebry and Schwer then topped off a great day in Lemont football annals by combining for an overhead 2 pointer, to bring about the ultimate 24-8 final count.

Hornets Gain 2d

By DON HEEG

LEMONT -- The Lemont Golden Hornets traveled to play the New Lenox Mustangs Sunday and came out on top 20-13 in their last season game.

The win brought the Hornets a 7 and 2 record for the year. They lost out on a divisional championship to Romeoville by a half game, finishing the season in second place.

The Hornets opened the scoring in the first period on a 21 yard scamper by halfback, Hayden Reeves. The extra point try failed. Lemont was on top 6 to 0. Then on the ensuing kick-off, New Lenox ran it back to Lemont's 7 yard line. Three plays later the Mustangs scored. The extra point try was good. Mustangs led 7 to 6.

The Hornets were not to be denied; they came right back with another scoring march, the final 30 yards being run by Rick Sniegowski. The extra point was good on a pass from Sniegowski to Rick Jakusc. Lemont led 13 to 6. The game turned to defense then with neither team scoring in closing out the first half.

Then midway in the third quarter the host Mustangs put on another drive for a score, tying the score at 13 to 13.

In the 4th quarter Lemont's offense went to work again, picking up their winning touchdown on a 20 yard pass and run. With Rick Sniegowski hitting Ed Davis, the extra point was good. Jim Hutchinson carried the ball to the one and fumbling, Ed Davis grabbed it in mid air and fell into the end zone, making the final score 20 to 13 in favor of the Lemont Hornets.

The outstanding boys playing defense were: Hayden Reeves and Jim Hutchinson with 15 tackles, Charley Dvorak 12 tackles and Rick Jakusc 10 tackles, plus the rest of the defensive unit, all playing a good hard-nose game.

In the Lightweight game Lemont came out on the short end by a score of 37 to 0, closing out their season with 1 win and 8 losses.

The Pee Wee Hornets also came out on the short end 24 to 0. This also closed out their season with no win's and 8 losses and 1 tie.

Merrick Now State Prep C-C Champion

CHAMPAIGN -- Dave Merrick, a junior at Lincoln-Way High School is the individual prep cross country champion of Illinois. He won that title here last Saturday when he covered the 2.75 mile course on the U. of I. Savoy golf links, in 13:19.4.

This was a new record for the event, the best previous time having been 13:26. There were 207 runners from 26 schools besides the individual runners from 23 other schools in the event.

Setting records, however, is nothing new for Merrick. Before running in the state meet he had participated in seven conference and four invitational meets and was the winner in each.

What is more he set records in most of the meets in which he appeared. Last year in the state meet, in which Lincoln-Way as a team finished third, Merrick finished 12th and his time

was 14:14.

Lincoln-Way had high hopes of winning the meet this year but had to settle for 10th place. The winning team this year was William Fremd High School from Palatine with a score of 86 points. York, last year's winner, was second with 129 points and Maine East and Prospect tied for third with 146 points.

In cross country the lowest score wins. If the five members of a team finished in the first five places it would have a score of 15, and they don't come any better than that.

Lincoln-Way's other runners in their order of finish Saturday were Al Carlson, 34th, Lee Erickson 39th, Bill Been, 102d, and Al Davis, 125th.

"I had the boys keyed too high," Lincoln-Way coach, Joe Rodriguez said after the race. "They ran too hard at first and didn't have anything

left to finish with."

This was not true in Merrick's case, however. Dave set a fast pace at the start and he was setting a fast pace at the end.

At the Mattoon invitational, which Merrick won, Andy Rubert, Proviso West's standout runner and one of the favorites for the state title, was leading Dave but slipped and fell in the last 100 yards. Saturday Merrick led Rubert by 13 seconds after a mile and a half, 24 seconds at two miles and 25 seconds at the finish.

Lincoln-Way's team and coach were disappointed but they are not downhearted. The cross country guys and a lot of others will be running all winter, regardless of weather, getting ready for track in the spring and next fall they'll be back for another crack at the state cross country title.

Frosh-Soph On Top

By RUSS SANDBERG

LEMONT -- Lemont High's frosh-soph team is undisputed champion in the Northeast Conference. They

took a 14-6 win over Sandwich High last Saturday.

The local yearlings finished league warfare with a record of 6-1, while the overall slate has now been upped to 7-1. Plano was the long conqueror of Lemont during the now completed 1969 campaign.

Winning conference championships is nothing new for the coaching duo of Bob Voss and Lou Kuk, as this is the second successive year they have guided their charges to a Northeast title.

Both Injun units were unable to get untracked during the early going, but the Lemont band got things started when soph tackle Jim Clark recovered a fumble on the Sandwich 34.

Quarterback George Otto moved to the 28 on a keeper. Scott Barnett hit to the 22, but a penalty moved Lemont back to the 37. This proved to be only a minor annoyance, however, for a following screen pass from Otto to Barnett gave the locals a first down on the 16.

Jim Weck, in 2 carries, added another first down on the 6. Otto went to the 1, from which point Barnett went over for the opening tally. The conversion attempt failed.

Late in the second period, Sandwich took a big bite out of Lemont's 6-0 lead when a young speedster named Breuning, rambled 75 yards for the equalizer.

This 6-6 status quo held throughout the third quarter, but Lemont's fine running back, Jim Weck broke the ice with one of his patented long distance bursts, shortly after the fourth stanza got underway.

The starting point was Le-

Spartan Season Great

By J. AZARELA

ROMEVOILLE -- The Romeoville Spartans ended their final games of the season with fine performances by all. The Lightweights gained second place in their division; the Pee-Wees and Heavyweights have earned play-off berths.

The Lightweights sparkled against Glen Ellyn with R. Kemp scoring on a quarterback "sneak." Tremendous defensive strength prevented Glen Ellyn's touchdown on the one yard line. A touchdown by G. Beck and extra point by L. Modersohn gave the Spartans a victory score of 13 to 0.

The Lightweights ended the season in 2nd place of the Western Division.

The PeeWee squad triumphantly closed their season with a whitewash of 12 to 0 against Glen Ellyn. Touchdowns accounted for by R. Pahl. The PeeWee's finished the season with a record of 8 wins 1 loss, capturing the Western Division title.

They will meet the Eastern Division winners next Sunday for the championship of the Southwest Suburban Pop Warner League.

The Heavyweights proved once again their determination and ability as top-notch contenders when they defeated Glen Ellyn by a score of 24 to 6. This victory also enables them for a divisional play-off next week against the Eastern winners.

Roger Jones rallied for 2 touchdowns early in the game. Mike Kovalcik capitalized on an error by Glen Ellyn on the 2 yard line and carried the ball over for an easy touchdown. The final touchdown was also accounted for by Mike Kovalcik.

The Spartan's Saturday Squads finished their season victoriously against Midlothian. The Lightweights 18 to 0 and PeeWees 26 to 7.

Spartans Slug Kingsmen

LOCKPORT -- Mel Deskin's intrepid congregation put it all together Friday night as they blanked the Joliet East Kingsmen 20-0, for the first win ever by a Lockport football team over a Joliet football squad. How about that?

Quarterback John Highland called the shots and was most ably answered by his team. Highland went to the air on eight occasions only to have three of his "on the money" aeriels dropped.

However, the Spartans'

first TD came on a 40-yard bomb by Highland to Rick Colombo with less than five minutes gone in the second quarter. Larry Vuject's boot for the extra point was low.

Highland contributed the second TD with a three-yard dash only five minutes later. The drive covered 43 yards in 10 plays. A pass to Bob Colvin on a two-point conversion attempt failed and the half ended with the Spartans on the long end of a 12-0 score.

Fullback John Tabis tallied the Spartans final TD after 55-yard march by the Lockport eleven. Chuck Williams ran off 18 yards in the 12-play march with Tabis going over from the seven. Highland passed to end Steve Rosendahl for a two-point conversion. With only two minutes remaining in the third quarter the score stood at 20-0.

Lockport's defensive chores were handled in style with tackle Fred Dewald and linebacker Bob Chambers

devastating the Kingsmen's offensive line. Joliet West's furthest penetration of the Spartan's domain was to the 37-yard-line.

Guy Mohderson intercepted a Joliet pass to end the threat. A total of five passes were filched by the Spartan's alert pass defense.

Lockport West closes the season Friday night in a home game against Thornridge. Joliet East, also at home, brings down the 1969 curtain against Marian Catholic.

WHEREAS the S.W. Hauck Oil Service, Inc., has offered to sell to the Village of Mokena the following de-

scribed property:

A part of the Chicago, Rock Island and Pacific Railroad Company's depot grounds in the Southwest Quarter (SW 1/4) of Section 8 in Township 35 North, Range 12 East of the Third Principal Meridian in the Town of Mokena more particularly described as follows:

Beginning at the point of intersection of the West line of the Southwest Quarter (SW 1/4) of said Section 8 with the northerly line of said Railroad Company's depot grounds, thence easterly along said northerly line of said depot grounds 280 feet, thence southerly at right angles 50 feet, thence westerly at right angles 300 feet more or less to the West Line of the Southwest quarter (SW 1/4) of said Section 8, thence northerly 58 feet, more or less to the point of beginning, except therefrom all coal, oil, gas, casing head gas, and all ores and minerals underlying the surface of said premises; together with the right to explore, drill, conserve, mine and remove same in Will County, Illinois,

for a purchase price of Eleven Thousand Five Hundred and no/100 Dollars (\$11,500.00) pursuant to an installment contract providing for annual installments for a period of not more than 20 years and an interest rate not to exceed six and one-half (6 1/2 %) percent.

NOW, THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND VILLAGE BOARD OF TRUSTEES OF THE VILLAGE OF MOKENA, ILLINOIS:

SECTION 1: That the President and Village Clerk of the Village of Mokena be and they are hereby authorized to execute and enter into by and on behalf of the Village of Mokena, Illinois, an installment contract to purchase the property described in the offer set forth above from the Chicago, Rock Island and Pacific Railroad Company for a purchase price of TEN THOUSAND and no/100 DOLLARS (\$10,000.00) with interest at a rate not to exceed six and one-half (6 1/2 %) percent and with installment payments due annually for a period of not less than 10 years nor more than 20 years.

SECTION 2: That the President and Village Clerk of the Village of Mokena be and they are hereby authorized to execute and enter into by and on behalf of the Village of Mokena, Illinois, an installment contract to purchase the property described in the offer set forth above from S.W. Hauck Oil Service, Inc., for a purchase price of ELEVEN THOUSAND FIVE HUNDRED and no/100 DOLLARS (\$11,500.00) with interest at a rate not to exceed six and one-half percent (6 1/2 %) and with installment payments due annually for a period of not less than 10 years nor more than 20 years.

SECTION 3: That the installment contracts provided for in Section 1 and 2 be expressly contingent on the condition that within thirty (30) days after the execution of the governing body of the Village of Mokena, Illinois, adopt an ordinance for the levy and collection of a direct annual tax sufficient to pay the annual installments provided

for by such installment contracts as and when they become due and payable.

SECTION 4: The Village Clerk of the Village of Mokena is hereby authorized and instructed to file with the County Clerk of the County of Will, State of Illinois, a certified copy of such installment contracts and a certified copy of such tax levy ordinance.

SECTION 5: That a petition signed by the electors of the Village of Mokena equal in number to one (1%) percent or more of the total number of votes cast at the last preceding regular municipal election may be filed with the Village Clerk within sixty (60) days of the second publication of this Ordinance requesting the corporate authorities to submit the question of these purchases to the municipal electors by way of referendum.

SECTION 6: The Village Clerk of the Village of Mokena is directed to cause this ordinance to be published twice within thirty (30) days of the date of passage of this ordinance in the Southwest Graphic, a newspaper of general circulation within the Village of Mokena, there being no Newspaper published in the Village.

SECTION 7: All ordinances or parts of ordinances in conflict herewith be and the same are hereby repealed.

SECTION 8: This ordinance shall take effect sixty (60) days after the date of the second publication provided in Section 6 herein.

PASSED this 28th day of October, 1969, by and affirmative vote of two-thirds (2/3) of the elected corporate authorities presently holding office.

N. Lenox Has Losing Season

NEW LENOX -- Lincoln-Way High School varsity football team lost the final game of the season to Evergreen Park 26 to 16 and wound up at the bottom of the Southwest Suburban Conference with an 0-6-1 record.
The Knights won their opening game, a non-conference tilt with Tinley Park and it tied Oak Lawn in SWS play. Several times a bridesmaid but never a bride. As frequently said in such situations -- better luck next year. Well, with any luck at all -- unless it continues bad -- next year should be better.
Lincoln-Way played hard. Even when everything was against them the Knights never showed any symptom of quitting. One had to admire them for their courage.
Lincoln-Way wound up on the bottom of the standings. On top was Reavis with a 6-1 record for the season. Reavis beat Rich East 20 to

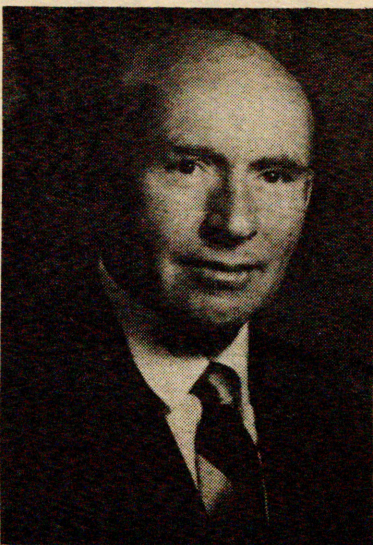

14 Friday night and that put the pressure on Sandburg and Homewood Flossmoor.
These two teams played each other Saturday, and Homewood was the winner, defeating Sandburg, 14 to 0. This left these two schools tied with five wins and two losses each. This was the first win for Reavis since 1953. Sandburg was the champion for the past two years.
In the Lincoln-Way game the Mustangs received the opening kickoff and in 10 plays drove 57 yards for a touchdown. A pass for extra points was intercepted by Harold Webb.
Lincoln-Way came right back with a touchdown after starting play on its 27-yard line. Webb carried the ball over and John Minger passed to Greg Palka for two points to put the Knights on top 8 to 6 at quarter's end.
In the second period a 29-yard pass to Bill Pierce gave the Mustangs another touch-

Porters Win On Passing

By DAN KUBAN
LOCKPORT - Flashy Fash (Gil Fash, that is) befuddled the opposition Friday night in leading the Porters to a 30-8 win over Peoria Woodruff.
Fash completed 10 of 19 aeriels, three for TD's and three more for two-point conversions, as Coach Bill Zimmer's students of the pigskin fever dominated the non-conference contest. Only one of Fash's passes was intercepted by Peoria as the Porter's quarterback netted 165 yards through the air.
Peoria lost three passes to an alert Lockport pass defense which held the Woodruff squad to zero yards via the airways.
Ken Kennedy took the opening kickoff at Lockport 20 and returned to the 40 where Fash took over. A crafty display of know-how moved the ball to paydirt as Fash mixed plays with the finesse of a seasoned veteran. The final toss was a 17-yard fling to Kennedy, all alone in the Woodruff end zone. Fash passed to Randy Yapp for the two-point conversion.
The Warriors scored their lone TD late in the first quarter on a 40-yard sprint by Bill Taylor. Quarterback Lou Getz passed to Kerry Leiby for the two-point conversion and an 8-8 tie.
Tom Saunders took a Warriors punt at his own 45-yard line and jaunted to the Warriors' 35 before being hauled down.
On first and 10 at the Warriors' 24-yard line, Fash lofted a pass to Randy Yapp who looked mighty lonely in the Warriors' end zone. A conversion pass to Yapp made the score 16-8 with less than six minutes to play in the half.
Lockport recovered a Peoria fumble later in the quarter and took over at the Warriors' 30-yard line. A one yard plunge by Kennedy and a 27-yard pass by Fash had the Warriors with their backs against the wall at their own two-yard line.
Kennedy pulled through the right side of the line for the score with three minutes left in the first half. Fash tossed to Joe Pekarek for the two-point conversion and the Porters led 24-8.
A scoreless third quarter led to a fourth quarter TD pass from Fash to Saunders behind a screen. A conversion pass failed and the final score was 30-8 and a very happy Lockport Central-East squad.
The Porters conclude their season with a Saturday afternoon game with Argo.
